## **NEWSLETTER TO PARENTS & GUARDIANS**

### **#12/21 – 5<sup>th</sup> October 2021**

Dear Parents, Carers, Students and Staff

#### **RE: COVID-19 UPDATE**

As we all know, COVID-19 is now widespread and is everywhere, and we all have to continue do our share of protecting each other in our respective community and homes. Today, after lunch time, we were informed that three of our students tested positive to their COVID-19 tests done last night.

We received professional advice from the National Department of Health and wish to inform you the following:

- Home isolation: All the students in the three grade classes concerned were advised today after lunch time to stay home starting tomorrow and return on the date given to them today. Please monitor your child/ren at home during their isolation period, and seek medical attention immediately if they develop any COVID-19 symptoms.
- Contact tracing in the classroom: Students who were in close contact with each of these three students are strongly encouraged to seek medical attention immediately if they develop any symptoms of COVID-19 during their home isolation period.

Let us remember all our students in these three grade classes and their families in our prayers.

All our other grade students will continue to come to school, and we will strictly monitor our COVID-19 Precautionary Health Measures currently in place on a daily basis.

Thank you

Mr George Swamy  
a/Executive Director, Principal - Secondary
